Lamesa High School — Lamesa, Texas

Best of Luck to a real swell girl

Dear Elva, Lots of luck in ... Love, Jane

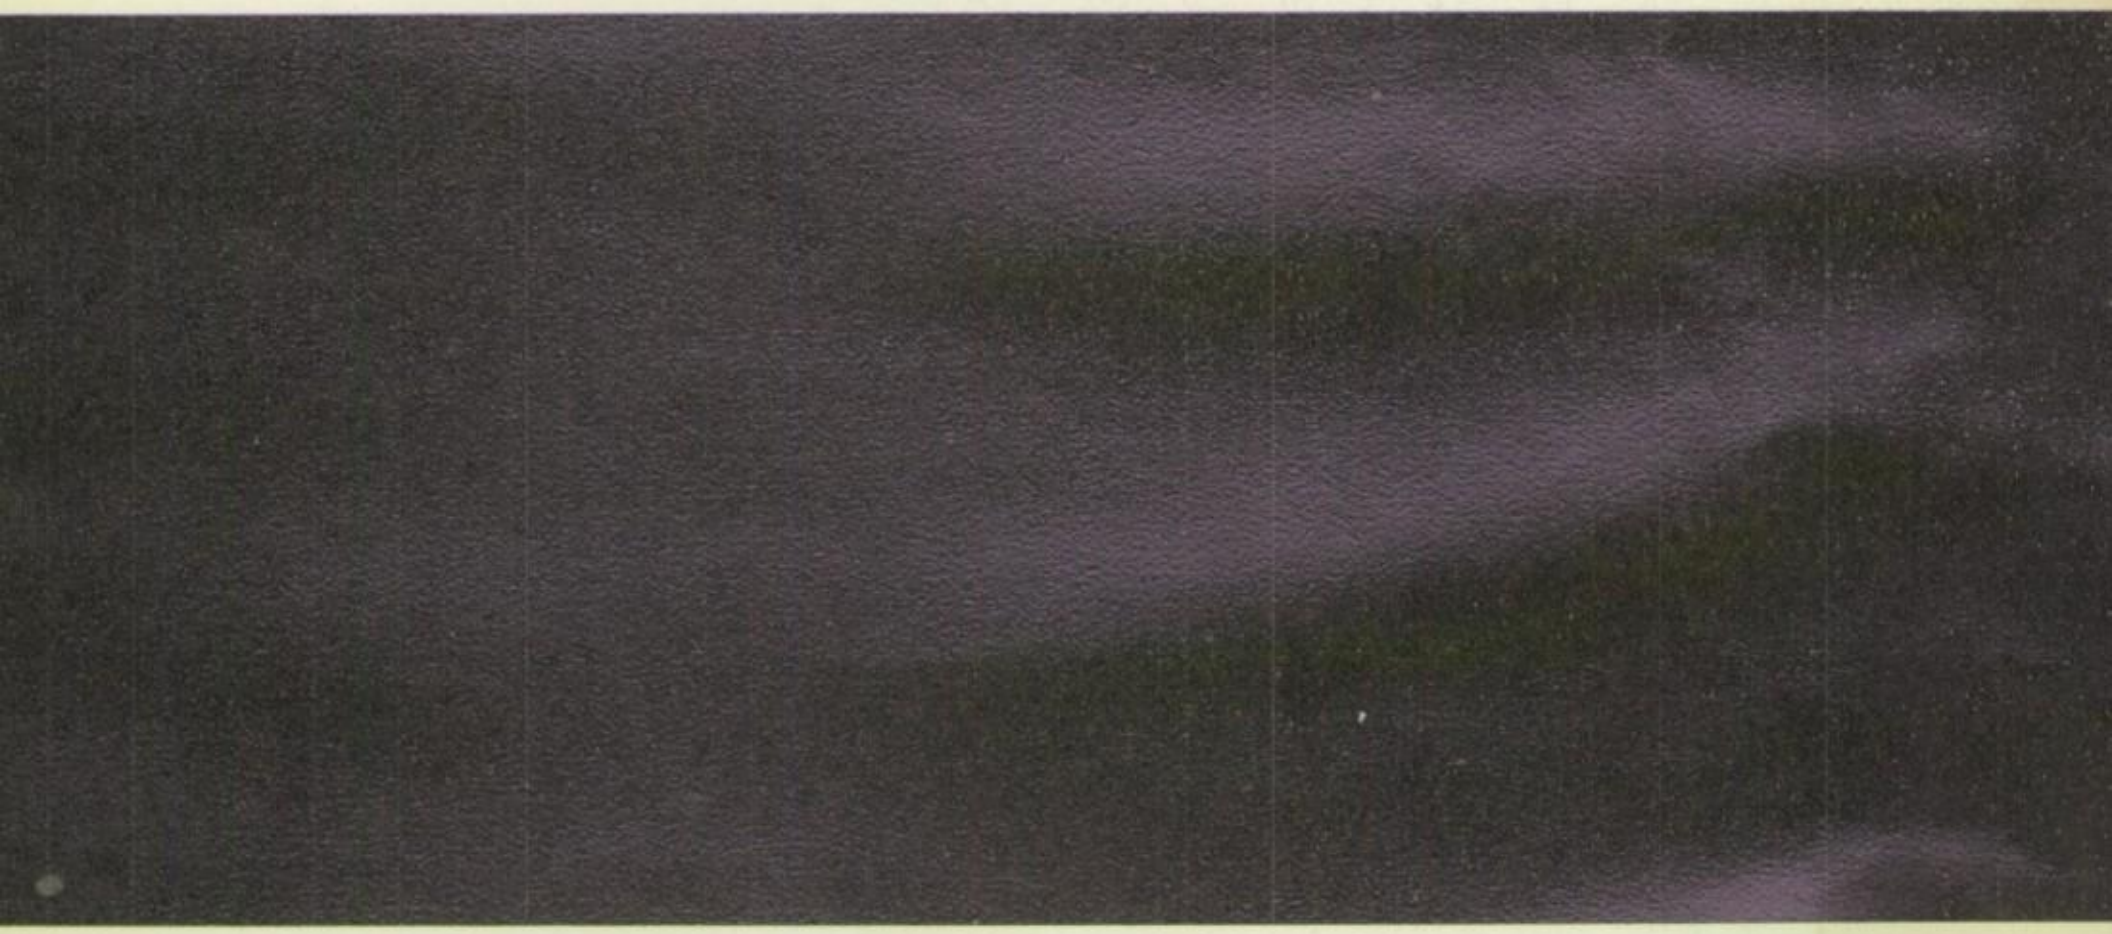
THE DEDICATION

For making Lamesa High School a symbol of scholarship,
good sportsmanship, wholesome recreation,
teamwork, sincerity, and citizenship, THE TORNADO
Staff proudly dedicates the 1955 TORNADO
to the past, present, and future students of . . .
LAMESA HIGH SCHOOL

SEPTEMBER came, and the chilling breezes of autumn whispered across our slowly awakening campus. We returned, eager to renew old friendships and reluctant to explore new textbooks . . . OCTOBER brought to Lamesa High its promise of frost and football. We, yelled for our team 'til our throats were husky and lungs ached . . . Holidays in NOVEMBER. Homecoming fun, too much turkey—a welcomed pause.

DECEMBER caught us dreaming of tinsel and myriad parties, of mistletoe and peppermint canes . . . The semester was gone. Cramming for exams almost ruined

JANUARY . . . We saw our grades, then sighed with relief or vowed once more that next semester would be different . . . FEBRUARY waltzed in, bringing romance with lacy valentines and red satin hearts. Spring thawed through and into MARCH. Our fancies turned. Our hearts were suddenly very young and sometimes gullible . . . With APRIL came a lull for Easter.



Teachers lectured and heads nodded drowsily. Spring fever . . . MAY came all too soon. Exams were taken and farewells were spoken. Familiar faces disappeared . . . Some of us graduated. We wore our mortarboards and gowns and pretended that nothing had changed. Somehow we weren't convinced . . . And time passes by, leaving behind the unforgettable joys and the inevitable regrets and the hope of tomorrow . . . always tomorrow.

Dear Eva -
It has really been
Great being in your G.S. class
this year. Best of luck to a real
swell girl.

SENIOR SIDE LINES

BABIES

When four young students posed for their first school pictures, little did Bobby, Stephany, Sonny, and Connie realize that one day they were to head the Senior Class, Annual Staff, A Cappella Choir, and Booster Club. Preston and Anease, not dreaming of the responsibilities they must assume as presidents of F.F.A. and F.H.A., looked utterly carefree in their first grade photos. From the beginning Kenneth, Carolyn, Donald, and Maurice showed a marked musical talent which later helped them to gain a place in the Golden Tornado Band. The overalls of Norman and Leon show that they were already planning agricultural careers. Sue Barron was a well-dressed first-grader whose hair bows were the envy of the entire school. Kenneth, Conrad, and Sleepy began early peeking in the Recreation Club. The curls of Gloria don't make her seem happy, but they make her look cute.

Yes, this is the graduating class of 1955! The cherubic faces seen here were destined to become the not-so-angelic guys and gals known as the Senior Class of Lamesa High School.

Two early leaders were Joyce and Martha, who were to become Student Council Officers. During the first years of their education, Omalee and Linda Lou impressed their classmates with their stirring declamations. Carol, Nancy, and Mona learned their ABC's well with the intention of becoming the fastest typists in L.H.S. Singing has always been fun for Marcella, Kay, Darlene, Rufine, and Rose, and that is why they are in the alto and soprano sections of A Cappella Choir. In the first grade many students began to develop certain interests which they still enjoy: Glenn discovered airplanes; cowboy Norris liked food; John snapped pictures; and Jay began to run "drags." At Union Ernestine started young her career as a heartbreaker. The puzzled look on Kenneth's face proves that he was trying to solve one of the chemistry problems at which he is now so adept.

"Let them in, Peter, they are very tired;
Give them the couches where the angels sleep.
God knows how young they were to have to die!
Give swing bands, not gold harps, to these our boys.
Let them love, Peter—they have had no time—
Girls sweet as meadow wind, with flowering hair . . .
They should have trees and bird song, hills to climb—
The taste of summer in ripened pear.
Tell them how they are missed. Say not to fear;
It's going to be all right with us down here."

SUPERINTENDENT'S MESSAGE

To the ANNUAL STAFF, TEACHERS, and
STUDENTS of LAMESA HIGH SCHOOL:

As this school year closes, I am sincerely appreciative of your fine help and co-operation. I have enjoyed three good school years in Lamesa. They have been happy years because you have contributed much in making them worth while.

As you know, the year 1954 was the centennial year for Texas Public Schools. Schools have progressed in a fine way over this one hundred year period. If tomorrow is to be what we desire, students, parents, and church members must continue with the same courage and foresight as those leaders exemplified who fashioned the yesterdays of our state into our today.

It is my hope that as we work together, each of us may develop a finer mind, a warmer heart, a sturdier body, a more adept hand, and a greater soul, thereby becoming a more wholesomely integrated person.

Congratulations and best wishes to each of you.

STUDENT BODY PRESIDENT

To the STUDENT BODY:

I am grateful for this opportunity to express my appreciation to the student body for their whole hearted co-operation this year. The Student Council has tried to serve efficiently, but such service could not have been possible without your help.

To each member of the faculty I wish to express my gratitude. You have worked unselfishly and tirelessly that this school year might be a profitable one. Your efforts will long be remembered by each student.

Always I shall have pleasant memories of Lamesa High School—may she continue to be one of the best schools in West Texas.

Sincerely yours,

Phil Wilson

Realizing the need for training in leadership and citizenship, the Student Council furnishes a fertile field for preparation in government and service to the community. Through its many school projects it has made a name for itself and has done many worthwhile things for the growth of the school.

The Student Council has co-operated in the promotion of better school spirit, encouraging better interschool relations in this vicinity, and better co-operation between students and faculty.

Student life at Lamesa High School is a healthy diet of study and play. Assemblies contribute to both the education and the entertainment of members of the high school.

An assembly few will forget was the activity period the Junior Classical League converted the gym into a Roman slave market, complete with auctioneer, slaves, rival bidders, and dancing girls.

One of the more memorable of the year's activities, and one eagerly anticipated by students and faculty, was the annual visit of Dr. Willis S. Sutton. This kindly, distinguished gentleman plays an influential role in molding the characters of the youth of today.

TWIRP Season was climaxed with an appropriately romantic assembly sponsored by the Student Council. This assembly featured "steadies" of L.H.S.

Lamesa High was host to an important personage when the Honorable George Mahon, United States Congressman, spoke in September.

A tragic episode in our Alma Mater was the untimely death of Joe E. Schoolspirit. At his funeral the mourners' tears turned to smiles of joy when Joe was revived by the cheers of the student body.

The low spot of every assembly is when Prexy Phil says those notorious words, "If there is no further word, we shall return to fifth period class."

The installation of the Student Council Officers was held in an assembly early this year. Graduate officers Robert Weaver, Bud Hale, Susan Logan, and Nelva Ferguson returned to participate in the ceremony.

The wavering notes of "Taps" climaxed the assembly presented by the National Honor Society on November 11. Former members of the Armed Forces, including trumpeter Richard Crawley, were guests of the Society and took part on the program.

HOMECOMING 1954

Homecoming festivities were launched with a parade, composed of floats from various clubs and classes. A Cappella ranked tops with the theme "Hold That Tiger," while the F.H.A. entry featured a Thanksgiving theme. Later Wednesday exes mingled with L.H.S. students around a roaring bonfire, and ex-cheerleaders Sybil Mitchell and Elizabeth Arnett Bennett led favorite yells of by-gone years.

The main attraction Thanksgiving Day was the game between the Golden Tornadoes and the Snyder Tigers. The identity of the Homecoming Queen, Connie Nolen, was revealed in the half-time coronation. Coach Ted McCollum and his championship teams of 1934 and 1935 were recognized. Following the game, former students of L.H.S. enjoyed seeing old classmates at the reception in the cafeteria.

MIDLAND

The Midland Bulldogs, a 4A team, defeated the Golden Tornadoes in the opening game of the season.

The Tornadoes were leading the Bulldogs until the 4th quarter when the Bulldogs connected with a long pass.

Wayland Reeves turned in an outstanding defensive and offensive game.

The game was almost a duplicate of last year's game, even the score.

The offensive rays of sunshine for Lamesa were Jerry Jones at quarterback and Doyle Chapman at halfback. Jones' passing was a threat, but receivers were unable to get in the clear. Chapman caught a couple of Jones' passes and did some fine running.

The Lamesa Golden Tornadoes lost their final game of the season in score only. The Snyder Tigers were completely outplayed, but won by a one point margin.

The Tornadoes' tally came in the first quarter when Kenneth Bartlett snagged a pass from Doyle Chapman. Bartlett caught the pass on the five yard line and fought his way loose from two Tigers to go over for the only Lamesa score.

The entire Tornado defense was good, with Wayland Reeves, Jack Goodloe, Joe Hamilton, and Frank Jones doing outstanding work.

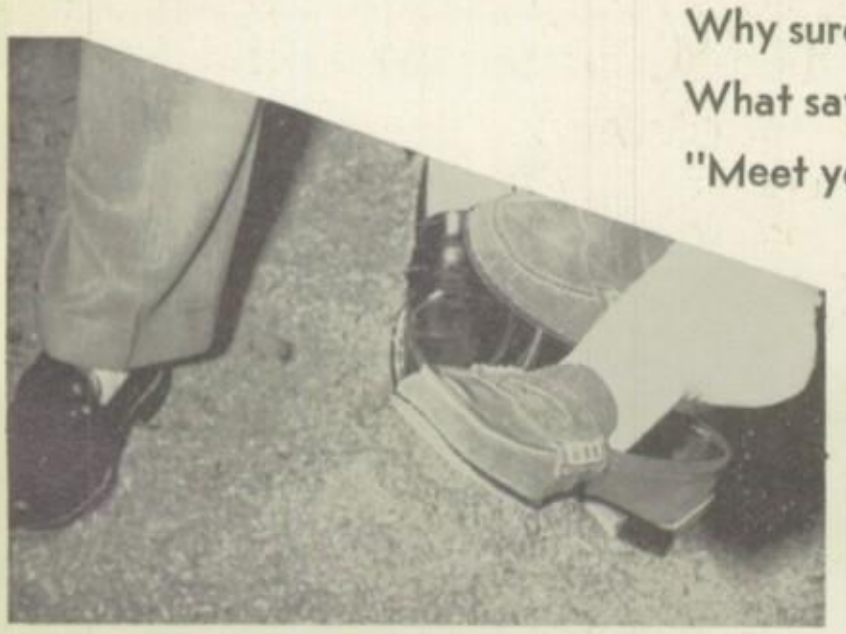
A place unknown to few,
Not old, just three years new.
Why sure, we know!
What say, let's go.
"Meet you at the Dairy Lou."



Yep, it's all yours now—It's your '55 TORNADO. Our nightmares of triplicate copy, job stamps, and picture mixups, and days of lost india ink, rubber cement, dummy pages, and screaming typists are memories of the past. We loved every frantic minute of it; we will never forget the good times and practical jokes that were all a part of the TORNADO.

We leave our aspirin, shot typewriters, and worn pencils to next year's staff. So there you are! Hope you like it.
